

ANOTHER APPLIEDORE DEVELOPMENT SELLS OUT

Award-winning housebuilder Appledore Developments is continuing to experience sales success across all of its developments. The latest development to sell out is Mulberry Place in Brasted. Whilst you may be disappointed to hear that all the stunning homes at Mulberry Place have now sold, Appledore has other developments that are currently available, offering exclusivity and style in great locations. The sell-out success of Mulberry Place just goes to show that quality is most definitely in demand and is a good sign that the new homes market is picking up.

If you have your heart set on an Appledore home then look no further than The Old Market in Marden, Kent, a sublime development of 1 and 2 bedroom apartments and 2, 3 and 4 bedroom homes in a delightful village location. half an hour, and the M20 only a 20-minute drive away, Marden is perfectly situated for commuters wanting to enjoy a country lifestyle.

The remaining homes are priced at £289,000 for Plots 6 and 8 and £299,000 for Plot 5. For further information contact our selling agents, Radfords, on 01622 833412.

The homes are ideally situated with local amenities only a short walk away.

Rye has a wonderful heritage and allows its residents to soak up the historic charm whilst relaxing in one of the many cafes and bistros. But hurry as only 1 home now remains at this exclusive development.
